Thankful at BHES

As we enter the month of November, we find ourselves reflecting on what we are thankful for. Here at BHES, we are thankful for all our students, staff and parents! At BHES, we do teamwork, we communicate and listen to one another, we help each other, we respect one another, we are friends to one another, we laugh, we celebrate, we motivate, and we do great things! We do all of these things because we are a TEAM and for that - we are overwhelmingly thankful!

Lice Information

Modes of transmission of lice include head-to-head contact, hairbrushes, pillows, and sheets. Common sources of transmission include family members, overnight guests, and playmates who spend a large amount of time together. Check your child regularly for any signs of lice.

Scout Me In

Scouting is a Fun and Educational Outdoor Adventure for Boys and Girls from Kindergarten to Age 20. Elementary youth are Cub Scouts and are a member of a Den with a group of same-age boys/girls. Cub Scouts have FUN while participating in age-appropriate activities that teach life-skills and introduce them to new outdoor adventures. Adult partners help the scout build and race their own Pinewood Derby Car at the pack meeting. Learning to work together as a peer group, Family Bonding and helping others are also big parts of the Cub Scout Program. To find a Scout Unit near you go to - BEASCOUT.org. For more information contact: Steven Higgins at 260 710-5637 or steven.higgins@scouting.org

Recess Information

Students will go outside for recess as long as the asphalt is not snow covered and the wind chill is above 15 degrees. Students are allowed to leave the asphalt and play in the snow if they have snow pants and boots. Please make sure your child is properly equipped and dressed for the conditions of the day.
