Attendance at BHES

Welcome back! We know you may have many questions about attendance. We encourage you to read our district re-opening plan on the BHMSD website: www.bhmsd.org for information about our COVID-19 policies. Attendance is monitored daily for both traditional and virtual learning students.

What do I do if my child will be late or absent from school?

When a student is absent, the office must receive a note or phone call by the student’s parent/guardian explaining the reason for the absence. If the office does not receive a note or phone call, a phone call to parents will be made. If a parent/guardian is not able to be contacted, a school official will make a home visit as a precaution for the safety of the child. Our phone number is (260) 824-0333.

Transportation Changes

To make transportation changes for your child, please send a note with your child or email a note to estrans@bhmsd.org by 2:00. For student safety, we are not able to make transportation changes over the phone. Also a reminder, students cannot be changed to ride a different bus, but can be changed to be a car rider, walker or go to childcare.

Cub Scouts Information

Cub Scouts will have an event on Thursday, September 17 at 6:00 p.m. at the Wells County 4-H Park Cook House. This is for Boys and Girls in Grades K-5. Students will soon bring home a flyer about this event! Contact Steve Higgins at (260) 273-2711 for more information, or email him at steven.higgins@scouting.org. The website is www.BEASCOUT.org.

If you have any questions about the new STOPIT reporting app, please contact the school office at (260) 824-0333.
