Chapter 2

Student/Parent Information
A student’s attendance is essential to learning – learning that includes not only factual subject matter, but also attendance habits, work habits, attitudes, and ideals. Reading the material and performing satisfactorily on tests does not compensate for the loss of insight gained during class discussion or explanation. Research indicates that a direct correlation exists between school attendance and achievement. Higher academic achievement generally occurs for students who regularly attend classes, while excessive absences generally result in achievement below the level of expectation and/or failure. Attendance is also recorded on all students’ transcripts. Regular school attendance improves learning, establishes dependable work habits, and allows students to take full advantage of the educational opportunities necessary for their development.

For the safety of your child, parents are required to contact the school office the morning of the absence even if the teacher has been informed. When an absence occurs and the school is not notified, a school representative will call home to verify the absence. If a parent cannot be reached, a school representative will visit the home to verify the child’s whereabouts.

When students arrive at school after 8:00 a.m. they will be counted tardy. A student will be counted half-day if they arrive after 10:30 a.m. The following policy will be enforced:

**Procedure for Absences**

1. When a student is absent, the office (824-0333) must receive a note or a phone call by the student’s parent/guardian explaining the reason for the absence.

2. If the office does not receive a note or phone call, a phone call to parents will be made.

3. If a parent/guardian is not able to be reached a school official will make a home visit as a precaution for the safety of the child.
Attendance Problems

Absences

Each student shall be allowed five countable total absences per semester. Again, a note or phone call by a parent/guardian is required.

Absences that are countable toward the maximum of five absences per semester:

1. Personal illness not requiring a doctor’s attention. Consecutive days of illness will accumulate and each day will be counted as one (1) day of absence.

2. Personal-related absences (i.e. go to work with your parent day.)

3. Any non-countable absences if note is not submitted within two (2) days of the student returning to school.

4. Any absence not defined as non-countable.

Absences that are non-countable toward the maximum of five absences per semester:

1. Absences of the student when confirmed by a doctor or dentist (Exact dates must be specified by the doctor in writing.) A doctor’s note must be submitted within (2) days after returning to school.

2. Attendance at a funeral when requested by a parent.

3. Approved vacation with parents.

4. Absences due to religious holiday or observance.

5. Absences during the school day when being sent home by the school nurse.

*Each absence after the five allowed countable absences will be marked as an unexcused absence. After unexcused absences reach 10 for the school year an educational neglect referral to the Department of Child Services and/or Wells County Probation may be issued.

*Parents will be notified by letter when their child has accumulated 5 unexcused absences. A school official may also
make contact by phone to discuss the attendance concerns and brainstorm options for improving student attendance.

**Excessive Tardy Procedures**

Students are considered tardy to school if they arrive later than 8:00 am.

1. Each student is allowed up to four (4) tardies each semester.

2. After a student reaches four (4) tardies in the same semester, parents will be contacted by the school through an attendance letter.

3. After the four (4) allowed tardies, each additional tardy will be considered a half-day unexcused absence.

4. In addition to the tardy counting as a half-day unexcused absence, students with excessive tardiness may be referred to the office. The following may occur:
   
   a. Lunch detention
   
   b. Loss of recess
   
   c. In-School-Suspension

**Truancy**

1. Attendance in school is compulsory as provided by Indiana Code 20-8.1-3-17. Failure of the child to attend school even one day without an excuse is truancy.

2. Students who are truant will receive disciplinary action that could include the following:
   
   a. Lunch detention
   
   b. Loss of recess
   
   c. In-School Suspension
B-H Elementary School will not accept a telephone call for the change in the way children are to go home. A written note signed by a parent/guardian is necessary to change the transportation for a child on any given school day. The note must explain the bus number change, the address and name of where the child will be getting off the bus, as well as the parent/guardian signature. If changing your child to be picked up by car, this change will also need to be in writing and signed by the parent/guardian. All notes must be received at the school office before 2:00 p.m. The note may be sent to school with children, brought in to the school office by the parent/guardian, faxed to the school office at 824-0512, or emailed to estrans@bhmsd.org and a staff member will reply to you for confirmation. If the note is faxed, please telephone the office to confirm the note was received via the fax.

Transportation-Students may ride a bus, walk, or be a car rider.

• ALL NOTES ARE LOGGED IN THE OFFICE AND RETURNED TO THE CHILD’S TEACHER FOR REFERENCE AT DISMISSAL. IF THE NOTE PERTAINS TO A BUS CHANGE, THE CHILD WILL HAND THE NOTE TO THE BUS DRIVER UPON BOARDING THE BUS AT DISMISSAL.
Section 3

Transportation: Bike Riders and/or Walkers

Third and fourth grade students are permitted to ride their bikes to school. Students should park their bikes in the bike racks (at Door #3) and enter Door #3. Students are responsible for their bikes and will be dismissed from Door #2 after the buses have been dismissed. Any student is permitted to walk to school. Walkers must enter the building at Door #1 or Door #2. Walkers will be dismissed after the buses have been dismissed. Bike riders and walkers should not arrive to school before 7:50 a.m.
Section 4

Transportation: Car Riders

Bringing Students to School and Picking Them Up

Car riders will be dropped off/picked on on the north side of the building (entering off of Spring Street). Students will enter the building using Door #12 and or Door #1. Parents are asked not to park and get out of their cars, as this may cause unnecessary delays and safety concerns during morning drop-off and at dismissal time. Parents who drive their children to school are asked to use the north parking lot along Spring Street. Parents should drop their children off at school between 7:40 and 7:50 A.M. Drivers should be in single file along the curb when dropping your children off or picking them up. Drivers are asked to pull up to the sign before dropping children off or picking up students. This will allow for multiple cars to drop off or pick up at the same time. For safety reasons drivers are never allowed to drop students off or pick them up in double lines. If a parent chooses to come into the building to either walk their child in or to pick up their child, they will need to park in the east parking lot, walk in, and enter through Door #2.

Parents dropping off and picking up preschool students will enter the parking lot on the east side of the building (entering off of Stogdill Road). Students will use Door #2 to enter the building. Preschool teachers will greet and assist students.
The Bluffton-Harrison Elementary School provides transportation to and from school for students in kindergarten through grade four. We believe that riding the bus is a privilege, and students are expected to show good behavior at the bus stop and on the school bus at all times. Students riding the bus are expected to observe and obey the following procedures:

- Students can only ride their assigned bus. Exceptions only occur with a signed note from a parent/guardian.
- Students must be respectful to other students and the bus driver.
- Students must remain seated and facing forward during the entire bus trip.
- Students must keep hands and feet to themselves.
- Students shall not transport balloons, flowers, glass or large objects on the bus.
- Students shall follow all other school procedures.

The school’s authority begins when the student enters the bus and ends when the student is dropped off at the bus stop in the afternoon. Failure to abide by the bus rules could result in the following consequences:

1st Offense = written warning by the principal or school official
2nd Offense = loss of bus-riding privileges for one day
3rd Offense = loss of bus-riding privileges for three days
4th Offense = loss of bus-riding privileges for five days
5th Offense = loss of bus-riding privileges for the semester

Students committing serious bus misconduct could be taken off of the bus immediately at the discretion of the administration.
Bluffton-Harrison Elementary School students are expected to dress appropriately. Students are not permitted to dress or appear in any manner that is unhealthy, obscene, or excessively distracting. Clothing and/or attachments, which promote or advertise drugs, alcohol, or tobacco products will not be allowed. Clothing that has pictures, writing, etc. which represents violence is not permitted. Shorts may be worn to school when the weather reaches an appropriate temperature. Hats should be removed when entering the building. Any clothing or other items considered by the school administration to be disruptive to the educational process will not be permitted.
Students are discouraged from bringing a cell phone to school. If students bring a cell phone to school, it shall be kept in the student’s backpack and turned off during the school day and should be for after school situations only (i.e. scout mtgs., basketball). Students who need to use a telephone during the school day may get permission from their teacher to use the classroom or office telephone. Sending, sharing, viewing, or possessing pictures, text messages, emails, or other material of a sexual nature in electronic or any other form, including the contents of a cell phone or other electronic device may result in suspension or expulsion.
Students are prohibited from taking or capturing photographic images, video files, or audio files during the school day without permission from a teacher or administrator. Students are never allowed to take or capture photographic images, video files, or audio files within an area where there is a reasonable expectation of privacy such as a restroom.

NOTE: THE IPAD IS THE PROPERTY OF THE SCHOOL AND IS ALWAYS SUBJECT TO INSPECTION.
The Bluffton-Harrison Elementary School has two counselors to help students deal with any conflicts that keep them from performing their best in the classroom. The school counselors do a variety of classroom guidance activities, as well as small groups. Please feel free to contact the counselors if any questions or concerns arise.

Mrs. Ashley Kilgore:  akilgore@bhmd.org

Mr. Kole Meyer:  kmeyer@bhmsd.org
Students who use the Internet must abide by school board policy IIBGA-E. Students who violate any portion of this policy may have their access privileges revoked, school disciplinary action may be taken, and/or appropriate legal action. Copies of the entire school board policy are available on the district’s website at www.bhmsd.org.
Students who find lost articles are asked to take them to the designated Lost and Found area where they may be claimed by the owner. Items not claimed will be donated at the end of each quarter.
School Lunch

Students who wish to participate in the school lunch program will be provided a nutritious lunch each day if they elect to purchase a lunch. Lunch pricing can be found on the school lunch menu that is sent home monthly. The lunch menu is also posted monthly on the website: www.bhmsd.org

Students may bring in as much money as they would like, as students’ debit card accounts will be credited every time that money is brought to school. Students are encouraged to bring lunch money in an envelope with the student’s name and teacher’s name on it. Parents may utilize MyLunchMoney.com to deposit money into a student’s lunch account and to view purchases. Please visit the “Parent/Students” section of the district website for a direct link to MyLunchMoney.com. The school participates in the free or reduced lunch program.

Students will be given one I.O.U. when they have no lunch money in their account. However, after one I.O.U. the student will not be given a hot lunch from school, but will be given a peanut butter sandwich and a carton of milk for lunch. This will continue until more lunch money is sent back in to the school. Students who choose not to buy the school lunch are encouraged to bring a nutritional lunch from home that does not need to be refrigerated at school. Students are not allowed to bring pop to school. Any student who for medical reasons is not allowed to eat certain foods or drink milk needs to let the school know so that other plans can be made.

The Bluffton-Harrison Metropolitan School District welcomes parents to come to school and eat lunch with their children. An adult lunch may be purchased through the regular lunch program. Please telephone the office prior to eating so an adult meal can be added to the lunch count. Lunch pricing can be found on the school lunch menu that is sent home monthly. We would ask that parents refrain from bringing food purchased in a restaurant or “fast food” into school to avoid conflicts with other students. If fast food is brought in, you may be asked to eat in a separate designated area. Parents who bring in a lunch from home are strongly encouraged to pack healthy items to model good eating habits in front of the students.

*Subject to Change
Moment of Silence:

In order that the right of each student to the free exercise of religion is guaranteed and the freedom of each student is subject to the least possible coercion from the state either to engage in or refrain from religious observation on school grounds, there shall be a daily observance of a moment of silence in each classroom or on school grounds of each school in the school corporation.

During the moment of silence, the teacher responsible for a classroom shall ensure that all students remain seated or standing and silent during the moment of silence and the students make no distracting display so that each student may, in the exercise of the student's individual choice, meditate, pray, or engage in any other silent activity that does not interfere with, distract, or impede another student in the exercise of the student's individual choice.

This “moment of silence” is not intended to be and shall not be conducted as a religious exercise. This policy precludes students from using the occasion to pray audibly or otherwise speak, singly or in unison. Building principals and teachers must not allow or tolerate any coercion or overbearing by anyone to force other students to engage in or refrain from prayer or any other permitted activity under this policy.

The student code of conduct applies to disruptive behavior during a moment of silence in the same manner as provided for in other circumstances of such behavior.

Pledge of Allegiance:

Each building principal shall ensure that a daily opportunity is provided for students of the school corporation to voluntarily recite the Pledge of Allegiance in each classroom or on school grounds. The building principal shall determine the appropriate time when school is in session for the recitation of the Pledge.

A student is exempt from participation in the Pledge of Allegiance and may not be required to participate in the Pledge of Allegiance if:

a. The student chooses not to participate; or
b. The student’s parent chooses to have the student not participate.

Students who are exempt from reciting the Pledge shall remain quietly standing or sitting while others recite the Pledge and shall make no display that disrupts or distracts other students who are
reciting the Pledge. During the Pledge of Allegiance, students who choose to participate shall stand and recite the Pledge while facing the U.S. flag with their right hands over their hearts.

The student code of conduct applies to disruptive behavior during the recitation of the Pledge in the same manner as provided for in other circumstances of such behavior.
When school is closed or delayed due to road conditions, fog, or other emergencies, television station WPTA CHANNEL 21 ALIVE, WISE CHANNEL 33, www.indiananewscenter.com and WANE CHANNEL 15, www.wane.com will be notified. In addition, an announcement will be placed on the twitter feed located on our district homepage: bhmsd.org

SchoolMessenger is also available for BHMSD students. SchoolMessenger is an automated telephone service that will notify all families by phone within minutes of an emergency or situation that causes a delay, cancellation, or early dismissal. When used, the service will simultaneously call all phone numbers in our parent contact list and deliver a recorded message from a school administrator. The service will deliver the message to both live answer and answering machines. When completing your child’s enrollment form at the beginning of the school year, you will have the opportunity to supply the school system with the phone numbers that you wish to have in this automated system, or you can select the “do not call” option.

If there is a need to delay the starting of school, the following schedule will be followed:

**TWO HOUR DELAY**

School will begin two hours later.

Breakfast will not be served.

Lunch will be served.

Textbooks

The school rents books/technological devices to all students. The cost of textbooks represents a major investment of taxpayers’ money. Unreasonable damage to textbooks or devices will result in fines.
BHES students may participate in a variety of study trips. Parent chaperones may be needed on many of these study trips. Only people designated by the teacher will be allowed to supervise. Parent chaperones are to refrain from smoking while on the study trip. Parent chaperones are asked not to bring any younger siblings on the study trip. All students are required to ride to and from the study trip on the school bus. Adults participating in study trips and/or classroom activities will need to complete a criminal history background check available in the school office. This must be completed at least 48 hours prior to the activity.
Chapter 3

Health and Safety
Health and Safety

When a student enrolls in a school corporation for the first time or any subsequent time and at any level, the parents must show either that the student has been immunized or that a current religious or medical objection is on file. Parents must provide the School Corporation with complete immunization records prior to the beginning of the school year.

Specific age/grade level requirements are included in the enrollment packet at the beginning of each school year or may be obtained from the school nurse. A full-time nurse is on duty at the Bluffton-Harrison Elementary School. Students with the following symptoms should remain home from school to prevent the spread of illness: a temperature higher than 100 degrees, continued discomfort, a suspicious rash, a constant cough, or red, irritated eyes with drainage. Parents may call the school nurse during school hours to discuss the student’s symptoms in order to determine if the student should remain home from school. If a student becomes ill at school, the parents will be notified. It is important for the school to have current contact information in order to contact a parent as quickly as possible.

When it is necessary for a student to take medication during school hours, our school policy requires that the following conditions be met:

All medication brought to school must be in the original labeled container and accompanied by a parental consent form. Consent forms and the school’s medication policy are available from the school nurse or on the district website under the “student health” section.

Students in Preschool through grade 8 are not allowed to transport medication FROM school. A student is allowed to bring a medication to the school, but the school will not be liable for lost or stolen medication that is brought to the school by a student, or those medications that are carried by a student. Exception: If an inhaler needs to be transported to and from school with a student, a doctor’s note and parent note must be provided to the school.
B-H M.S.D. participates in CHIRP, a free and innovative online system that stores and updates immunization records of both children and adults in Indiana. It is confidential and free. You will be given a form to complete from the school nurse giving the school nurse permission to register your child’s immunization records onto this program.
Fire drills are required by law and are held periodically so orderly evacuation of the building may be accomplished.

Severe weather drills are also required. Each room has specific instructions. Notification to move to protective areas will be by signal or over the public address system. Everyone is to obey all instructions and remain absolutely quiet.

Other emergency procedures will be practiced on a periodic basis and may include partial and total building lockdowns, bus evacuations, etc.

Fire Drills

Fire and storm drills are held at various times throughout the school year. When drills are in session, remember the following:

1. Exit the building according to the fire drill instructions posted in the classroom.

2. Students are expected to be quiet during the drill and walk to the designated area.

3. Students and staff are to wait for the instructions from the administrative staff.

Storm Drills

Students are to exit their classrooms as soon as possible and go directly to the storm-safe area according to the instructions posted in the classrooms.

1. Students are to get in the storm-safe position as instructed by the teachers.

2. Students are to remain in that position and wait for the instructions of the administrative staff.
Students in kindergarten through the fourth grade will be assessed by their teachers to determine each child’s proficiency in the Indiana Academic Standards. Students receive grade cards four times each year, and parents may check student progress by logging into Power School. Parents who need assistance using Power School should contact the school office.

Students in grades 3 and 4 will be graded using the following scale.

Students in kindergarten through the fourth grade will be assessed by their teachers to determine each child’s proficiency in the Indiana Academic Standards. Students receive grade cards four times each year, and parents may check student progress by logging into Power School. Parents who need assistance using Power School should contact the school office.

*K-2 students may receive percentages as well as plus, check, or minus. Teachers may also utilize a checklist to provide additional information about student progress on the standards.

*CLT classes follow the E, S, N grading system.
Staff members at Bluffton-Harrison Elementary School believe that homework is a valuable tool to help students meet Indiana Academic Standards and Common Core Standards. Homework is part of the educational experience. Students improve their understanding of subject matter and develop study skills while they also foster character traits of independence, responsibility, organization, and time management.

The amount of homework will vary from student-to-student depending on a student’s reading level, his/her amount of background knowledge on a subject, and his/her time on task at school. It is difficult for students who are weak in Academic Standards to catch up with their peers during the regular school day; therefore, homework is one way to help increase achievement.

IAC 6.1-5-9 identifies homework as an out-of-school assignment that contributes to the educational process of the student. Homework is viewed as an extension of class work and relates to the objectives of the curriculum.

Parents and students should set aside a specific time each evening to complete assignments. Our goal at Bluffton-Harrison Elementary is to promote lifelong learning by guiding all students toward their maximum potential. By working together, faculty, students, and parents can help each child attain this goal.
The Bluffton-Harrison Elementary has an honor roll and high honor roll for fourth grade students. Any student receiving all A’s and B’s, including all B’s, and no N (Needs Improvement) in related arts subjects is eligible for the honor roll. Any student receiving all A’s and no N (Needs Improvement) in related arts subjects is eligible for the high honor roll each quarter.
Promotion and retention decisions are always made in the best long-term interest of the student. Teachers will notify parents when retention may be in the best interest of the student. Parents and teachers will work together to make the most appropriate decision for each student. Students are only retained when the student would benefit from another year of academic, emotional and social growth. The Bluffton-Harrison School Board Policy places the final responsibility for promotion or retention with the building principal.
Student Behavior
The goal of the Bluffton-Harrison Elementary School's discipline policy is to provide a positive learning environment where students are expected and encouraged to respect others, the property of others, and themselves. Our policy is driven by the belief that the purpose of education is to prepare our students for life, and exercising self-control is a key ingredient to a successful future. We will follow the belief that students should work hard, do their best, be good to others, and be safe.

Discipline involves the establishment of guidelines for acceptable student behavior. These guidelines encourage students to use self-control in following the procedures that have been established. It also includes administering appropriate consequences to students when they choose not to follow procedures and giving encouragement to students when they do follow procedures.
One of the foremost advances in school-wide discipline is the emphasis on school-wide systems of support that include proactive strategies for defining, teaching, and supporting appropriate student behaviors to create positive school environments. Instead of using a piecemeal approach of individual behavioral management plans, a continuum of positive behavior support for all students within a school is implemented in areas including the classroom and non-classroom settings (such as hallways, buses, and restrooms).

Positive Behavior Interventions and Supports (PBIS) is a proactive approach to establishing the behavioral supports and social culture needed for all students in a school to achieve social, emotional and academic success. Attention is focused on creating and sustaining primary (school-wide), secondary (classroom), and tertiary (individual) systems of support that improve lifestyle results (personal, health, social, family, work, recreation) for all youth by making targeted misbehavior less effective, efficient, and relevant, and desired behavior more functional.

The following diagram illustrates the multi-level approach offered to all students in the school. These group depictions represent systems of support not children:

http://www.sjusd.org/student-services/pbis/what-is-pbis/
School-Wide Behavior Expectations

Bluffton-Harrison Elementary School began the transition to PBIS school during the 2015 school year. Policies and procedures have been developed and implementation will begin with the 2016-2017 school year.

Bluffton-Harrison Elementary school has adopted the below behavior expectations that are applied school-wide and apply to all students and staff members.

1. Work Hard
2. Do Your Best
3. Be Good to Others
4. Be Safe

Behavior expectations are school-wide and will be followed:

1. Classroom
2. Playground
3. Hallway
4. Cafeteria
5. Restroom
6. Bus
7. Special Events
8. Technology

A student behavior matrix was developed to identify desired behaviors for all students in a school to achieve social, emotional and academic success.

Bluffton-Harrison Elementary School will use a tiger buck system. Staff members will use the tiger buck along with verbal positive reinforcement of the behavior in high rates (4 positives for every 1 correction). This will be done as an opportunity to increase rates of positive contact and reinforcement. It is the goal of Bluffton-Harrison Elementary, to promote a positive and nurturing environment where all students feel valued and recognized.
Behaviors are handled by staff (minor problem behaviors necessitating verbal re-directions, teacher consequence, pre-correction and restatement of expected behaviors, etc.) and by the office (major problem behaviors).

Definitions of the school’s minor and major problem behaviors with detailed description are included in the student handbook.

Office referred behaviors are tracked in order to monitor problem behaviors and to develop procedures to move forward with problem-solving, interventions and decision-making.

Parents and our School
The Bluffton-Harrison Elementary School believes that a cooperative effort must exist between teachers and parents in providing the best possible education for children. Communication is a key component in making this working relationship effective. Therefore, when questions arise concerning school issues, please feel free to call the school office to set up a time when you can talk to the teacher. The office will contact the teacher if it is before or after school or during the teacher's preparation time. However, if it is during classroom instruction time, you will have an option of the office giving a message to the teacher or leaving a message in the teacher's voice mail. You may also use the teacher's email address found on the corporation website – www.bhmsd.org
Keeping student safety at the forefront, all visitations should be prearranged. Please call the office or talk to the classroom teacher prior to the anticipated visit. Parents will be required to sign in at the office and pick up a Visitor’s Pass. If desired, visitors are able to eat lunch with their student; however, recess visitation will not be permitted.
If you are sending in a birthday or classroom treat, we ask that it be a store bought, prepackaged treat.
NEW VISITOR ENTRY SYSTEM

As part of the district’s school safety initiatives to provide safe schools for all students, all BHMSD schools will use a new visitor entry system. BHES will use a door buzzer system for visitors at Door #1 and Door #2 during school hours. Visitors will need to use the audio/video buzzer located on the right wall of Door #1 and located on the left wall of Door #2, upon arriving at the elementary school. Push the button, and the office staff will ask you to state your name and the reason for your visit, prior to unlocking the door of the entrance.

Please be patient with our staff as we strive to continue to provide a safe environment for all students.

All visitors must enter Door #1 or Door #2, sign in, and receive their identification sticker at the main office. Visitors may be asked to show ID upon arrival.
Volunteers play a vital role in the day-to-day functioning of the school. If you are interested in finding out more about volunteering, please contact the school office. Volunteers will need to complete a criminal history background check. These forms are available in the school office.
The Bluffton-Harrison Elementary School is fortunate to have an active Parent/Teacher Organization. The PTO is responsible for the student fundraisers, Christmas Activities, the year-end Activity Day and many other special events at the school. The PTO is also responsible for providing funds for many of our field trips and convocations throughout the school year. The PTO meets one time per month and are open to any B.H.E.S. teacher, parent, or family member. Any PTO member participating in school activities with students will need to sign a criminal history background check. These forms are available in the school office.
Section 7

**Fundraising**

Students at the Bluffton-Harrison Elementary School will be given various opportunities to participate in P.T.O. sponsored fundraisers during the school year. Money earned from the fundraiser will be used for student activities, such as field trips and convocations. Children are asked not to go door-to-door to sell the fundraiser items. Students should only ask family and friends to help support the fundraiser.

Indiana State Requirements
Bullying is defined as an overt, unwanted, repeated act or gesture, including written or verbal communications or images transmitted in any manner, physical acts, or any other behaviors that are committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, or harm the other targeted student and create for the targeted student an objectively hostile school environment.

Bullying will not be tolerated at Bluffton-Harrison Elementary School. Using data or computer software that is accessed through a computer, computer system, or computer network of the school corporation to bully another student is prohibited. To be effective in dealing with bullying issues, all students and faculty are to report such incidents to the school administrator immediately. Punishment for violations of our anti-bullying policy will be fair, firm, and consistent, ranging up to expulsion. Each case will be decided upon the facts and education will be available for bullies, victims, and bystanders.

Six Statutory Exceptions to the New Definition

Per state law, a school employee shall report any incidence of suspected criminal gang activity, criminal gang intimidation, or criminal gang recruitment to the principal and the school safety specialist. The principal and the school safety specialist may take appropriate action to maintain a safe and secure school environment, including appropriate intervention services. Appropriate consequences and remedial actions are those that take into consideration the severity of the offenses and consider both the developmental ages of the student offenders and the students’ histories of inappropriate behaviors per the code of conduct.

Any corporation and school employee who promptly reports an incident of suspected gang activity and who makes this report in compliance with the school corporation procedures is immune
from a cause of action for damages arising from any failure to remedy the reported incident.

The principal or designee shall conduct a thorough and complete investigation for each report of suspected gang activity.
